Logging Out	16

Logging In

From the home screen select the Accounts option.

Enter the member number and select Next.

Answer the security question and select Next.

Review and accept the Mobile Banking Agreement and Disclosure.

Verify the security key and enter the password then select Login.

The mobile app will register the device to the account number used during login.

Viewing Accounts

Upon login account balances will display.

View other accounts by swiping the screen or tapping the arrow key.

To view additional account details tap the magnifying glass.

The Account Detail menu may display additional balance, interest, certificate, and loan information.

To refresh balances tap the Refresh button.

Transfers

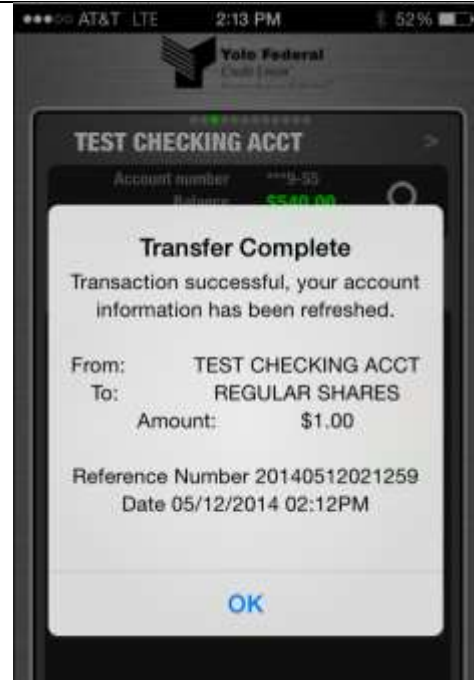

From the Account Balance screen select the Transfer menu.

Enter transfer details and select Continue to confirm and complete the transfer.

Note the confirmation details.

Bill Pay

From Account Balances screen tap the Bill Pay button.

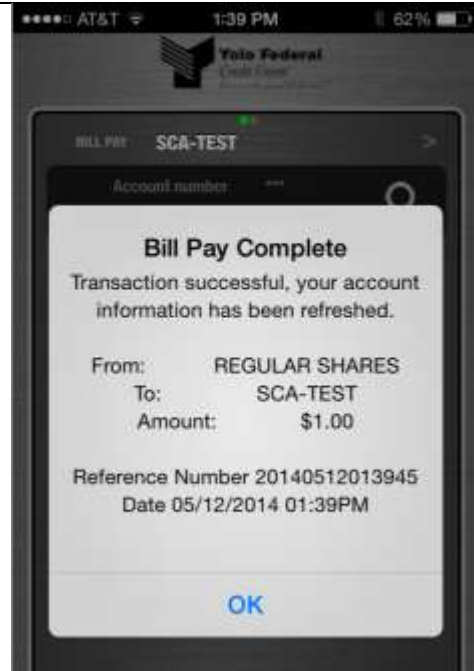

The Bill Pay History page will display. To schedule a payment tap on the arrow.

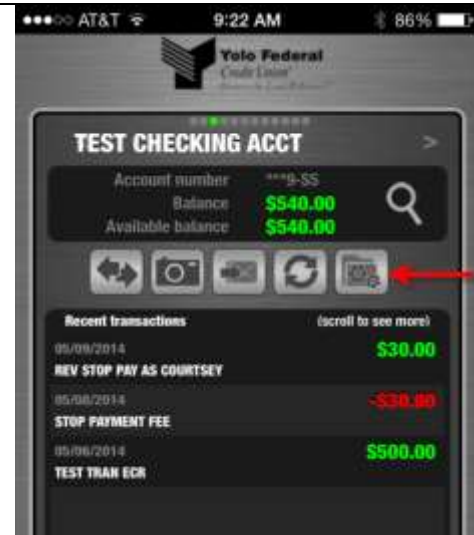

Enter the payment information then select Continue to confirm and complete the payment.

Note the confirmation details.

To manage payees tap the Payee File Folder icon.

View, edit, or add payees by selecting the appropriate option.

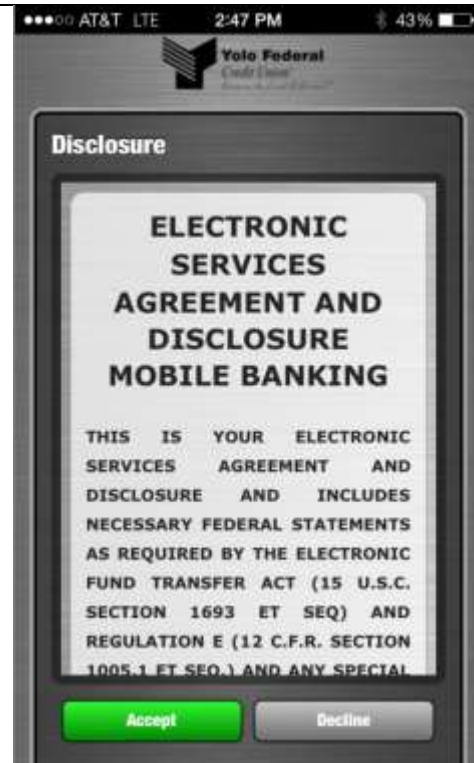

Remote Deposit Capture

From Account Balances tap the Remote Deposit Capture button (available only for checking accounts).

Review and agree to the disclosure.

Enter the deposit information and select Next.

Verify the deposit information and select OK.

Follow the instructions to capture the front and back of the item.

After the images are processed, the deposit will be credited to the checking account.

To view previous deposit information tap Previous Deposits.

Deposit information will be displayed.

Settings

On the Home screen select the Settings Menu.

The preferred history date range and Home menu screen style can be changed as well as the option to save the member number for login.

Logging Out

From the Home screen tap the Logout button.

A message will display confirming the account has been logged out.
