## **Yolo FCU Staff Spend the Morning Making a Difference!**

**YOLO COUNTY, CA-** Yolo Federal Credit Union announced today that a team of staff members spent the morning volunteering at Yolo Food Bank to fill and prepare boxes for local schools and partnering agencies. The volunteer group was organized by Yolo FCU staff member Megan Price who recently joined the board of United Way of Woodland. “As a new board member for our local United Way, I wanted to take the opportunity to dive in and do our part to serve both the United Way and a partner agency” said Price, Yolo FCU’s Business Service Representative. Price estimates that they sorted, filled and stacked approximately 3,000 pounds of food for delivery today.

“Yolo Federal has been a strong partner locally and I’m proud that our staff so readily volunteers for these activities,” stated Jenee Rawlings, Yolo FCU President/CEO. “We have many staff members that serve on various non-profit boards or volunteer throughout the year, it’s really what differentiates us from others” Rawlings said.
